Our Vision

To establish a rewarding educational travel experience from a wide variety of cultural, religious, political, ethnic, and racial backgrounds in hopes of achieving long-lasting global relationships.

What do we do?

Since 2013, Connect2Bolivia has offered study abroad and experience programs for students, universities, professionals, and individuals. We provide several services in our package and allow you to choose additional add-on options.

Why do we exist?

If you've ever wanted to travel to a unique part of the world, we can create a customized program with expert guides that assure your safe exploration. We don't provide scripted tours; we immerse you in the educational and cultural experience of Bolivia.

Who can participate?

This program is designed for university students or graduates seeking to enhance their Spanish language and pedagogy skills through teaching abroad. If you have no prior Spanish knowledge, we suggest one of our bilingual schools (Spanish/English). If you have an intermediate Spanish level, we suggest one of our Spanish-speaking language schools.

Teach Abroad

This program allows you to gain teaching experience in a global classroom setting. Develop personally and professionally while enhancing your Spanish language comprehension, communication, and pedagogy skills.

You'll be sure to find an appropriate age group as our schools range from Early Childhood, Primary, through Secondary Education.

Since you'll be working closely with a mentor teacher at your school placement, you'll receive an end-of-the-program letter of recommendation and a certificate of completion for future prospects.

We believe that cultural exchange is one of the most valuable learning experiences!
