## *Our Mission*

To empower individuals to experience and understand the multicultural communities of Bolivia through a global classroom setting. This allows for a unique, firsthand experience of the geographically diverse and ever-changing world of Bolivia.

## *Our Vision*

To establish a rewarding educational travel experience from a wide variety of cultural, religious, political, ethnic, and racial backgrounds in hopes of achieving long-lasting global relationships.

## *What do we do?*

Since 2013, Connect2Bolivia has been offering immersive study abroad programs for students, universities, professionals, and travelers. Our comprehensive packages include a range of services, with the flexibility to customize your experience through a variety of optional add-ons.

## *Why do we exist?*

If you're seeking to explore a truly unique destination, we offer personalized travel experiences tailored just for you. Our expert guides will support you as you immerse yourself in the rich history, culture, and natural wonders of Bolivia. Unlike traditional tours, we focus on authentic, unscripted experiences that connect you deeply with the essence of this incredible country.

## *Who can participate?*

This program is ideal for university students or recent graduates looking to improve their Spanish language and teaching skills through an international teaching experience. If you're starting with little to no Spanish, we recommend one of our bilingual schools (Spanish/English). For those with an intermediate level of Spanish, we suggest enrolling in one of our Spanish-speaking language schools.
